

# ***ANCIENT RIVER CIVILIZATION PROJECT WRITTEN GUIDELINES***

## **Section #1 - Describe your topic**

Which two items did you research?

What two cultures did they come from?

Provide an overview / description of each.

## **Section #2 - Similarities**

How are your two items similar - in terms of their structure, how they were built, their use or impact on society.

## **Section #3 - Differences**

How are your two items different - in terms of their size, structure, how they were built, used or impact on society

## **HOW WILL YOU BE GRADED....**

**Content - 30 points** - Quality of description AND your comparison / contrast of the two cultures. Grade on your written portion of the project (see previous page)

**Organization - 15 points** - Organization and flow of material. Interesting introduction as well as a satisfying conclusion. Comparison of two civilizations clearly shown.

**Research - 20 points** - How well are your research sheets completed - did you cite your sources?

**Visual Aid - 20 points** - How well does your visual represent your items? Overall quality and use during your presentation.

**Presentation - 15 points** - Oral description provided in class. Time use (4-8 minutes), eye contact, lack of fidgeting, USE OF VISUAL DURING PRESENTATION.
