

River Civilization Project - Graphic Organizer for the WRITTEN SECTION -

**Select facts from your research notes and place them in the appropriate box of the graphic organizer. This will help organize the information you gathered and put it into a format that will make it easier for you to start writing your paper.

Section #1 – Introduction / Describe your topic

<p>Which two items did you research?</p> <p>What two cultures did they come from?</p>	<p>Provide an overview / description of each item.</p> <p><u>Item #1 =</u></p> <p><u>Item #2 =</u></p>
--	---

Section #2 - Similarities

How are your two items similar - in terms of their structure, how they were built, their use or impact on society.

Section #3 - Differences

How are your two items different - in terms of their size, structure, how they were built, used or impact on society

Section #4 - CONCLUSION

A few main points to wrap-up your paper, key similarities or differences, one last time to use your WORD WALL words.
